

BUILDERS, INC

"CRAFTSMANSHIP, OUR FOUNDATION OF EXCELLENCE"

WE BREATHE CUSTOM.

Compo Builders, Inc. has earned its reputation over the years as one of the premier custom builders in Michigan. Located in Novi, David Compo was also named the HBA Builder of the Year. Compo Builders prides itself at being the very best in the industry. The Compo philosophy is simple: treat customers as if they are family. That simple statement makes Compo stand out from their competition because they provide great service at a deal they would offer to their own families.

Starting at the age of 12, David Compo began to refine his skills at architectural drawing. By 15, he was doing the majority of the working plans for his parents building company, James D. Compo, Inc., a family business where he worked for 33 years. Since then, David has been designing and building his own company, Compo Builders, Inc., which he co-owns with his brother, Christopher.

Personal attention.

David and Christopher Compo's list of achievements is unmatched among luxury custom home builders and remodelers. The timeless designs of a Compo Home have won major awards. Their resume of accomplishment is a true testament of their commitment to building excellence.

The staff at Compo Builders is experienced and well-trained. They are dedicated to providing the best service at a fair price. They are trustworthy, honest and dependable. Their goal is to not only do an excellent job, but put customers at ease. They are friendly and professional. They will walk you through each step of the process before beginning any work and they will also go over the costs at that time. There will be no surprises in the end with a big bill you can't afford.

Dedicated to quality

Throughout their long careers, David and Chris Compo have overseen the building of homes for over 1000 southeast Michigan families in addition to hundreds more remodeling and indoor pool projects. Whether you are considering your dream custom home or that special home remodeling project, Compo Builders is dedicated to the highest quality and service in the industry.

David and Chris Compo also generously lend time and leadership talents to several boards including the CDS Foundation, which raises awareness and funds to support local rehabilitation treatment for those suffering from substance abuse, as well his church – Our Lady of Victory in Northville – “Our Christian ideals guide us and give us strength through our negotiation and building process.”

David Compo also has been a member of the HBA Board of Directors. “We have benefited from our HBA membership in many ways,” says David. “From training, to legislative advocacy, to the sounding board of my Builder 20 Club - The Craftsmen, to meeting some of our best suppliers and subcontractors, our HBA membership has always been important to us.”

While new-age computers are important, so is old-world craftsmanship. Compo Builders uses only the best finish trades craftsmen in the industry. Their talents remain one of the distinguishing characteristics of a Compo home.

In 2015, David Compo was voted “Developer of the Year” for his new development **Casa Loma**, located in Novi. With the longest boulevard in SE Michigan, this gated community boasts only 10 estate sized lots and woodlands lending itself to the highest caliber of any Michigan community.

Endless Possibilities

Christopher James Compo is oldest son of the prominent husband & wife design/build team, Jim & Janet Compo. Chris has 40+ years of experience in many aspects of the building industry. He is a master carpenter with a range of skills including framing, trim, cabinetry and furniture making. He also has years of experience in architectural drawing and CAD design. He holds certifications through National Association of Home Builders (NAHB) as a Certified Graduate Remodeler (CGR), Certified Aging-in Place Specialist (CAPS), and Certified Green Builder (CGB). Chris has completed over 1000 remodeling projects including additions, kitchen, bathrooms, finished lower levels, decks and gazebos. In addition, he has run over 100 homes ranging into the millions. He loves being creative and has been an avid amateur photographer for many years. He opened Ameri-Comp Home Inspectors, a home and commercial property inspection business in 1987 and is available as an expert witness with his years of experience in all aspects of the building trades. He hopes to expand into the home maintenance area as there has been considerable interest with our past clients. In his retirement years, he dreams of owning a Bed & Breakfast with his wife Lisa and spending more time with his 5 children and 4 grandchildren.

Timeless Design

Treat Customers as if they are family

The Compo family has provided new construction, remodeling and real estate services to myself and my family for 12 years on 9 different projects. We are completely delighted with not only their results, attention to detail, and thoughtful consultation, but for the honorable working relationship with them and their contractors. They are, at the core, a family company. Built on quality, service and trust... and we feel part of that family. I highly recommend working with David, Michelle, Chris or Lisa.

Larry Nitz and Family ~ South Lyon, MI

Stunning Quality

Advanced Water Treatment, Inc. is your one stop for all of your water treatment needs. With a full line of water treatment products available, there is surely a solution in stock to solve your water quality concerns. Infusion Kitchen & Bath Showrooms are an extension of one of the largest plumbing supply houses in the Midwest. Established in 1965, Etna Supply has become a key component in meeting the needs of contractor's, engineers, architects and homeowners.

The philosophy is a simple one. Offer superior customer service with competitive pricing and on time delivery.

With thousands of products on display, come and experience a showroom like no other. Working kitchen faucets, shower heads and fixtures, and toilets offer a way for you to see and feel the products before purchasing them. Infusion Kitchen & Bath Showrooms offer creative solutions and luxury products for your home that can fit with every style and budget. Their seven Michigan showrooms are located in Grand Rapids, Grand Ledge, Holland, Jackson, Kalamazoo, Wixom, and Traverse City.

The consulting team at Infusion Kitchen & Bath Showrooms are friendly and knowledgeable, and contain years of experience in the decorative plumbing industry; and are here to assist you in making the right selections, the first time.

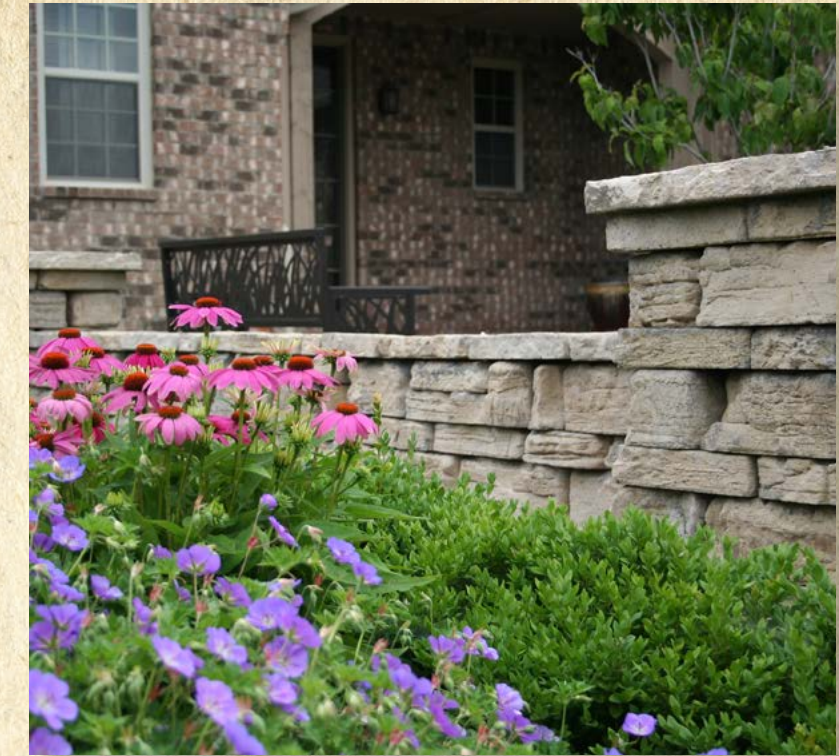

Since 2004, **Michigan Hardwood Distributors** has been providing homeowners and contractors with outstanding wood floors and service. A family-run business, their prices are comparable to and often better than some of the national big box stores, and they have earned long-time, loyal customers by providing exceptional service, carrying or acquiring outstanding flooring—including many from local Michigan businesses—and ensuring you're completely happy with your floors.

Finding the right spot to store everything in your home isn't always easy. Unless **Michigan Shelf Distributors** worked on your closets. Founded in 1981, Michigan Shelf Distributors can custom design closet shelving for the most optimum storage system. The professionally trained personnel at Michigan Hardwood Distributors can also design and install mirrors, shower doors, countertops, bathroom accessories, and door locks and hardware for complete service.

Standard for Excellence

Since 2003, **Premiere Landscape Services, Inc.** has been offering full-service design and construction in exterior landscape development. A multiple year, award-winning company, Premiere Landscape Services, Inc. will help you achieve the perfect outdoor environment by getting to know you, your tastes and what designs and elements will work best for you.

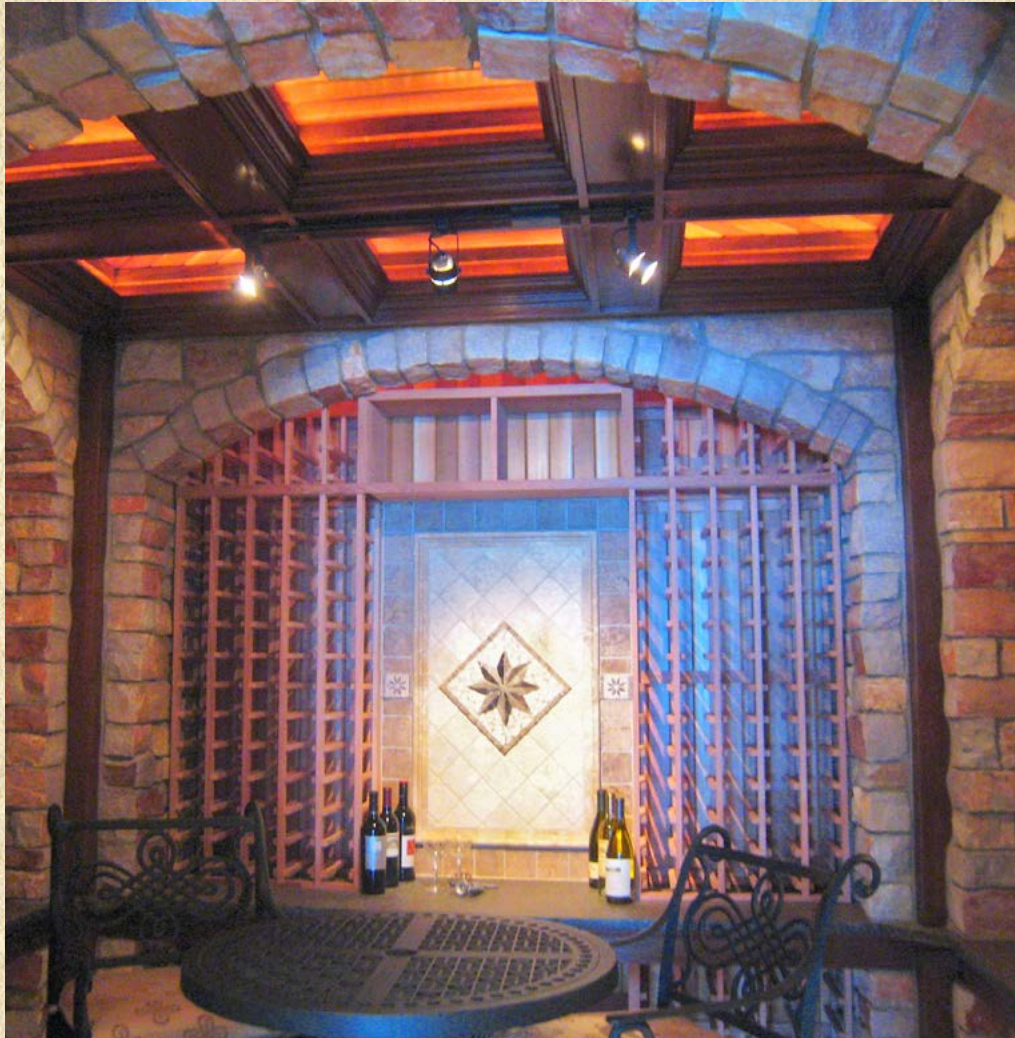

From concept to construction, Premiere's skilled team will transform your front and back yards into a private oasis of beauty, elegance and sophistication – a destination for both entertaining guests, and a personal retreat with fun and relaxation for every family member.

Premiere's clients can always count on our honesty, integrity, and credibility. Our long-term business relationships are built on trust and respect. Above all, we take pride in our work and high quality standards.

We are a recognized leader in full-solution residential landscape services within Western Wayne, Livingston and Oakland County. We have the most advanced equipment required to tackle any project regardless of site conditions, size or complexity. In addition, Premiere provides every client with the finest and most cost-effective solution for their project.

Since 1997, **Silver Hammer Carpentry, Inc.** has been a sure bet for builders in Michigan. Through Silver Hammer Carpentry's unique combination of industry experience, expert knowledge, superior craftsmanship and personal attention, they aim to exceed customer expectations throughout every stage of their business relationships.

Silver Hammer Carpentry recognizes the fact that longevity in this extremely competitive business is directly related to customer satisfaction, which is achieved only through outstanding craftsmanship. Therefore, every project their company undertakes is completed with the utmost precision.
